

Air1 is a critical part of our day and is well received by our community. It is refreshing to hear Christian music so freely in a time where congress is removing our 10 Commandments from public place and pray in our school and so forth. It would be a tremendous loss to our community if Air1 were to be displaced by an LPFM broadcaster providing other programming.

Air1 is an independent station that allows young adult and youth to be inspired and uplifted by Christian songs in every day life. In todays world it is nice to see a 4yo sing along with a Christian radio station as opposed to listen to Howard Stern's filthy mouth.
